# Drowning Prevention

We believe every child should be safe and independent in water. Please consider our Survival Swim program if your child is *not* yet safe. The program is suitable for children from the age of 6 months.

Our swimming lessons aim to get every child safe in water as quickly as possible but survival swim does that in weeks, not years.

Did you know? One child under the age of 5 drowns in Australia every week, on average.

Lessons in Survival Swim start from \$33 a week.

**More information is on our website, or contact Stacy.**

Educating your child about water safety and learning to swim has never been so important. Teaching for survival and developing confident swimmers is our passion.

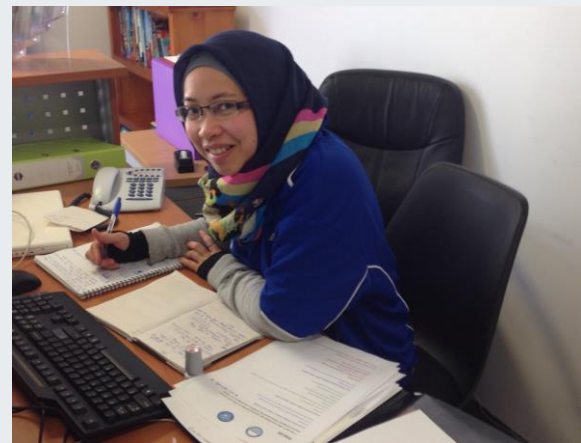

## Customer Services

We welcome Katie to our team! Katie helped us over the school holidays for the September VAC swim program and you will now see her at reception some mornings.

Katie is a competitive swimmer and is excited to join the Waterwise family.

We also welcome Tisa to our team! Tisa loves to teach swimming, particularly women's only lessons. If any of our mom's, aunts or Grandmas are interested in lessons for ladies only, please register your interest with Tisa or email the swim school.

## Vac Swim

Our Summer Vac Swim program will run mornings only, Mondays to Fridays, 7<sup>th</sup> to 25<sup>th</sup> January (3 weeks). We will email all the details later in the term.

## Makeups & Missed Lessons

Please remember we cannot guarantee makeups though we will do our best to ensure every family gets the lessons paid for. Notice of at least 3 hours is required in order for you to be eligible for a makeup – this allows sufficient time for another family to use your vacant spot.

Makeups can be booked at your convenience through the [Customer Portal](#). Any problems, just ask the Receptionist on duty.

If your child is sick and unfit for lessons, or if you will be away on holiday, please use the [Customer Portal](#) to notify us of your absence. You can also email [info@waterwiseperth.com](mailto:info@waterwiseperth.com) or phone the swim school any time on 61073699, just leave a message if no one answers.

(Please do not message Stacy's mobile as it is no longer a swim school phone.)
